

Plectere

acoustic textile partition panels
design by Petra Vonk

Plectere, is made from woolen felt strips that can be used as a partition wall, in a wooden frame or can be manufactured as a 3D object. In all of its forms, PLECTERE introduces texture and warmth to workspaces, dampens sounds through its excellent acoustic properties.

Plectere Aline is a partition panel designed to divide space and reduce noise, without disconnecting. It shows beautifully and creates a flexible and unique expression. PLECTERE aline is delivered with thin steel cables with cable clamps for easy installation.
